

Million Veteran Program (MVP) Enrollment

As you know, the Million Veteran Program (MVP) is now enrolling Veterans at the Memphis VA Medical Center. **Participation is open to any Veteran receiving care in the VA healthcare system. This includes VA Employees who are Veterans and enrolled to receive care in the VA healthcare system.**

MVP is a voluntary, national research program to study how genes affect health and illness, with the goal of improving health care for Veterans. MVP aims to be one of the largest studies of genes and health in the United States, with an expected enrollment of one million Veterans over the next five to seven year period.

If you are a Veteran and would like to learn more about MVP, call toll-free at 866-441-6075, dial extension 2959, or visit us in the Clinic Annex, Ground Floor, Room 5150 or 5169. You can also read more information here: www.research.va.gov/mvp
